

District Social Media Guidelines

A reminder of the District Social Media Guidelines:

- It is unwise to comment in social media when the topic being discussed may be considered a crisis situation. Refer all social media activity around crisis topics to School and Community Relations, [448-2025](tel:448-2025) or lablakeslee@gbaps.org.
- You should identify yourself as a Green Bay Area Public School District staff member if you are acting online in your capacity as a district employee, commenting on an issue about the district. You should not use a pseudonym or misrepresent who you are. All statements must be true and not misleading. Also please note that the U.S. Supreme
